Public Safety Rugged Mobile Computing Solutions

Ruggedized Laptops & Tablets

Featuring both new and fully refurbished laptops and tablets, we have the perfect fit to meet your needs when it comes to size, form factor, and budget. Offering Panasonic Toughbooks and Toughpad tablets, we're sure to have a solution that is the perfect fit for your department.

Evidence Collection Systems

Telrepco provides the industry leading Panasonic evidence collection system, the Arbitrator in-car video and body worn camera. Enhance situational awareness and capture an accurate account of any encounter.

Vehicle Docking & Mounting Solutions

With multiple partners for vehicle mounts including Havis, Gamber Johnson, and Hint Peripherals, we're sure to provide the perfect mount and docking solution for your department based off of your vehicle, preferences, and the layout of the interior of your vehicle. Every department's cars are different, and your department deserves a solution that is perfectly tailored to your set up.

Vehicle Network Solutions

Stay connected with Sierra wireless modems and vehicle routers. Maintain LTE connectivity in the field or connect to a wireless access point utilizing the long range Gigabit Wi-Fi connection. Purpose built for vehicles, these routers are designed with the rugged features necessary to keep you connected.

Mobile Printers

With the growing popularity of e-ticketing, mobile printers have increasingly become a necessity for police cruisers. Offering both Zebra and Brother mobile printers, we're sure to have the perfect solution to fit your department's mobile printing needs.
